

# PORTFOLIO

## QUALITY INQUEST

FOR CONSULTANCY, TRAINING  
& EXPORT

## Our Company

“ Quality Inquest is a leading consulting and training Company founded in 2007, specializing in management system solutions, established in Alexandria, Egypt; provides experienced practitioners, facilitators, trouble-shooters, designers and implementers for Quality Management Systems such as ISO 9001:2008 Quality Management Standard, ISO 14001:2004 Environmental Management Standard, OHSAS 18001:2007 Health & Safety, ISO 22000:2005 Food Safety Management System, HACCP, Management Information Systems and ISO/TS 16949 for automotive production and relevant service part organizations. All Quality Management Systems are tailored to support the Client's Business. In addition to many other, Human Resource, and management consultancies and training programs that are specially designed to helping you enhance your organizational performance and effectiveness. ”

## Exporting Business

“ For its rapidly increasing business and the growing intensive world competition in foreign trade industry; Quality Inquest have expanded its services to the exporting of premium quality "made-in-Egypt" 100% cotton and linen home textile, our range of products includes: bed sheets, towels, napkins and many other textile products includes: T-Shirt (colored or dyed)...we offer the best products together with competitive prices.

Facing the challenges of the new stage, we would like to welcome your favor with great enthusiasm and superior service in the hope of creating a glorious future hand in hand in this highly challenging world. ”

# Our Reputation

“

Quality Inquest's reputation of providing Management Systems support in new Sectors keeps on growing, with a reputation as an agile and highly effective alternative to the traditional consultancies, our engagement style is defined by a close and trusted working relationship at all levels in a clients' organisation.

As an exporter, we are capable to achieve confidence of our buyers, by providing them the quality products at reasonable rate. Our aim is not merely to get the turnover, but also to get total satisfaction of our customers.

Quality Inquest understands that excellence in customer service and unwavering quality standards ensure growth and success. The key to these goals is working with our clients by delivering the right products at the right time.

”

# Business Objectives

“

Quality Inquest objectives are:

1. To develop a client base requiring a team effort, versus a sole practitioner, to satisfy client requirements.
2. To have a stronger reputation with customers than rivals
3. To generate a profit, grow at a challenging and manageable rate.
4. Helps unify internal efforts to move the company along the chosen strategic plan
5. To work towards becoming internationally competitive.
6. To embark on an export drive that will enable the company to establish a presence in at least two countries in the first year and to expand this to ten countries over the coming five years.

”
